I. Until further orders no inam village shall be sold for revenue arrears.

II. The Deputy Commissioner shall cause any inam village in respect of which an arrear is due, to be attached, and arrange for its management by the Amildar of the Taluk in which it is situated, on behalf of the Government.

III. The lands of any village so attached shall revert to Government unaffected by the acts of the inamdar or any of the sharers, or by any charges or liabilities subsisting against such lands or against such inamdar or sharers as are interested therein so far as the public revenue is concerned, but without any prejudice in other respects to the rights of individuals.

IV. The Deputy Commissioner shall cause a detailed survey and settlement to be introduced into any inam village attached and taken under Government management under Rule II.

V. The Deputy Commissioner shall be entitled to manage the village attached and to receive all rents and profits accruing therefrom to the exclusion of the inamdar or any of the sharers thereof, until the Deputy Commissioner restores the said inamdar to the management thereof.

121

VI. All surplus profits of the village attached, beyond the cost of such attachment and management, including the payment of the current revenue and the cost of the introduction of a Revenue survey, shall be applied in defraying the said arrear.

VII. The village so attached shall be released from attachment and the management thereof shall be restored to the inamdar on his making an application to the Deputy Commissioner for that purpose at any time within 12 years from the 1st August next after the attachment, if, at the time such application is made, it shall appear that the arrear has been liquidated, or if the said inamdar shall be willing to pay the balance, if any, still due by him and shall do so within such period as the Deputy Commissioner may prescribe in that behalf.

VIII. The Deputy Commissioner shall make over to the inamdar the surplus receipts, if any, which have accrued in the year in which his application for restoration of the village is made, after defraying all arrears and costs; but such surplus receipts, if any, of previous years shall be at the disposal of Government.

IX. If no application be made for the restoration of the village within the said period of 12 years, or if after such application has been made, the inamdar shall fail to pay the balance, if any, still due by him, within the period prescribed by the Deputy Commissioner in this behalf, the said village shall thenceforward vest in Government free from all incumbrances created by the inamdar or any of the sharers, or any of his or their predecessors in title, or in any wise subsisting as against such inamdar, or any of the sharers, but without prejudice to the rights of the actual occupants of the soil.

X. A register of inam villages attached under these rules shall be kept in the Deputy Commissioner's Office in the accompanying form, and an extract therefrom shall be submitted to the Dewan's Office for record, with a report showing the circumstances under which the village has been brought under attachment.
